

Subject: XV MACHC Meeting.

México, D. F., September 12<sup>th</sup>, 2014.

Mr. M. Amafo LL.M (IMLI)  
Director Maritime Authority Suriname  
and MACHC Chair  
Suriname.

Dear Mr. M. Amafo:

I am writing to you regarding the XV Meso American & Caribbean Sea Hydrographic Commission (MACHC) meeting, in order to inform the measures communicated by the Office of Immigration issues of the Secretary of Foreign Affairs, for the Member States, associated and observers during the entrance to Mexico, as indicated below, requesting your management in order to communicate to all Member States:

“””””We will appreciate to remember the migratory provisions of the general guidelines for issuing visas emitted by the Ministry of the Interior and Secretary and the of Foreign Affairs for the bearers of ordinary passports, published in the Official Gazette of the Federation on November 8, 2012, which states for visa applicants when they come to attending or participating in events, they should obtain the visitor visa without authorization (VSP), there is no authorization for gainful activities, valid for 180 days, with multiple entrances and exits, previous compliance the corresponding requirements (see annex: Processing 1 LGEV).

On the following link you may consult those nationalities that require Mexican visa:

Once the petitioner has the respective requirements, must schedule an appointment for a visa interview by contacting the nearest Mexican Embassy or Consulate.

If any of the participants have a non-ordinary passport (diplomatic, official or service passport), should be documented according the guidelines for the issuance of non ordinary visas (LIVNO), in the absence of an agreement of abolition of visas between both countries.

On the following link you can verify the non ordinary regime.
