

NIOHC12-02d

**12th NORTH INDIAN OCEAN  
HYDROGRAPHIC COMMISSION MEETING**

**COLOMBO, SRI LANKA  
20 – 23 MARCH 2012**

**Draft Annotated Agenda Capacity Building Workshop  
1330-1500 Tuesday 20 March 2012**

**Jointly lead By NIOHC Capacity Building Coordinator Jeff Bryant<sup>1</sup> (UK)  
and Commodore V Badhwar (India)**

The purpose of this workshop is to involve all delegates who are involved within the planning, delivery and receipt of capacity building within the NIOHC region. The aim is to update the NIOHC five year capacity building plan.

**1. Capacity Building Progress since NIOHC 11**

**1.1 Reports from courses run**

Workshop on Port and Shallow Water Surveys, Simon's Town, South Africa, 14-18 November 2011.

There will be feedback from each of these courses provided; nations are asked for feedback if they provided delegates to attend.

**1.2 Planned courses**

List of courses currently funded in the region for NIOHC nations to attend

**2. Current status of NIOHC nations**

The workshop leader will ask each nation to supply him with the current state of hydrographic resources within their country (please come prepared to the meeting if possible).

**3. Requirements by NIOHC nations**

The workshop leader will ask each nation to supply him with the requirements of training from the IHO CB fund for their country (please come prepared to the meeting if possible).

**4. Development of 5 year plan**

The workshop leader will provide the delegates a proposal for a five year plan for capacity building within the region. This plan will be relayed to the IHC and IRCC in due course

**5. Close of Capacity Building Workshop and lunch**

**Proposed outcomes:**

1. Report to NIOHC Plenary
2. CB Updated

---

<sup>1</sup> Jeff Bryant is Capacity Building coordinator for the following RHC's: RSAHC, MACHC and joint coordinator for the NIOHC and SAIHC.
