- **Capacity Building and Training**

United Kingdom  
Hydrographic Office

# Chart Production

## Generic reasons for New Editions/New Charts

- New navigationally significant data too large for NtoM
- Horizontal positional inaccuracies
- New/changed IMO adopted routeing measures
- New port developments/ traffic movements

All to ensure the safety of the mariner

United Kingdom  
Hydrographic Office

# Chart Production

- 14 NE/NCs produced since the last RSAHC for the region

United Kingdom  
Hydrographic Office

Hydrographic Office

# Looking Ahead

## Continuing UK activity 2014-15 and beyond

- 7 New Editions/New Charts
- New Editions of Sailing Directions
- Continuing efforts to support local data gathering initiatives, and to link these into a broad programme of prioritised chart compilations and new editions.

United Kingdom  
Hydrographic Office

# Proposal

- RSAHC delegates are invited to note this report
