■

World Maritime Day 26 September

Theme ***empowering women in the maritime industry.***

- The participation of women in the economy, political decision making and society is key to addressing maritime challenges, but gender equality in the maritime.
- The maritime sector needs all hands on deck both female and male, if it is to take on the challenges of carrying the world's goods in an efficient safe and clean manner
- IMO headquarters on 26 September where the parallel event will be organized by the Government of Colombia to be held in Cartagena from 15-17 September

South Africa	2021			
Mozambique				

PRINCIPLES OF TC (A. 1127 (30))

- Ownership of the development and Implementation process by beneficiary countries.
- Promotion of the UN 2030 Agenda for sustainable Development, through the delivery of the SDGs identified as relevant to IMO Technical Assistant work.
- Contribution to the work of the United Nations Development Group and the UNDG Working Group in the development of specific performance indicators against which will be determined the success of maritime technical assistance activities.
- Priority to meeting the special assistance needs of Africa, Least Developed Countries (LDCs) and Small Island Developing States, and empowering women as key maritime resources.
- Integration of IMO's regulatory priorities into the programme-building process

WORLD MARITIME DAY 2019

**EMPOWERING WOMEN
IN THE MARITIME COMMUNITY**
